

Application No.: 09/284,698

Docket No.: SONYAK 3.3-033

REMARKS

The present supplemental amendment is responsive to the Office Action dated January 20, 2004 and the telephone interview between the Examiner and John P. Maldjian on June 23, 2004.

Independent claims 1 and 4 have been amended to recite "program guide information including information on the broadcast times of programs." The phrase "at least" was removed from the preambles of claims 1 and 4 because it was redundant and superfluous. Claim 6 has been amended to correct a typographical error.

Applicant reiterates the arguments set forth in the April 14, 2004 amendment with regard to the deficiencies of *Marshall et al.* and respectfully requests reconsideration and allowance of claims 1-6 as currently amended.

As it is believed that all of the rejections set forth in the Office Action have been fully met, favorable reconsideration and allowance are earnestly solicited. If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he telephone applicant's attorney at (908) 654-5000 in order to overcome any additional objections which he might have.
